### **NEW PATIENT CHECKLIST**

- Our office is located at 66 Commack Road, Suite 100 in Commack.
- Please arrive at least 10 minutes prior to your scheduled appointment to allow time for check-in and registration.
- On the day of the visit, please avoid giving your child any albuterol/rescue medications (including Xopenex or levalbuterol) unless it is an emergency. Any daily/maintenance medications should still be taken as prescribed.
- If your child uses Xopenex or levalbuterol, please bring it to the visit in case Dr. Bezack feels they need a treatment in the office (we only keep albuterol in the office).
- If your child is 6 years of age and older, please avoid giving them any nitrite rich foods (i.e. bacon, hot dogs) on the day of the visit because that can affect one of the tests done in the office.
- If you have any x-rays, lab work, allergy testing reports, or sleep studies that have been done previously, and would be beneficial for Dr. Bezack to see, please either fax them to our office (631-499-1700) or bring them with you on the day of the visit.
- Expect to spend 1 ½ to 2 hours in the office for the initial evaluation.
- Please fill out the patient forms, which are on the website under the “Patient Forms” tab, prior to the visit and bring them with you.
  - If your child is under 18 years of age, only the first 2 forms need to be filled out.
  - If your child is 18 years of age or older, all 3 forms need to be filled out.
- Bring your child’s insurance card with you so that we can scan it for our files.
- Please be advised of our 24-hour Cancellation Policy. About 2-3 business days prior to your child’s appointment you will receive a phone call from us asking for you to confirm that you are still able to make the appointment. If we do not reach you, we will leave a detailed message on your voicemail. We will ask that you call us back and verbally confirm that you will be taking the appointment. If you do not reach us, please leave a message on our voicemail or answering service. If we do not hear from you 24 hours prior to the appointment, we will cancel the appointment and open it up to our waitlist.
